Manufacturer's Limited Warranty – Dayco Light-Duty Automotive Parts
Effective January 1, 2021

Products manufactured by Dayco are warrantied to be free from defects in material and workmanship under normal operating conditions of recommended usage for a period of 12 months after installation or 12,000 miles/19,200 kilometers, whichever occurs first. This includes Dayco serpentine belts, timing belts, hoses, tensioners, pulleys, balancers and water pumps.

Dayco's liability under this warranty is limited to the purchase price of, at its option, the repair or replacement of any product which is determined to be defective upon return to Dayco. Transportation charges to be prepaid with Dayco's prior written authorization. This warranty does not apply to any product which has been improperly installed or maintained, or has been subjected to improper operation or use.

MOVE FORWARD. ALWAYS.™

Extended Warranty – Serpentine Belt Kits & Demanding Drive Kits
Effective May 20, 2026

Serpentine belt kits or demanding drive kits manufactured by Dayco are warrantied to be free from defects in material and workmanship under normal operating conditions of recommended usage for a period of 60 months after installation or 60,000 miles/96,500 kilometers of use, whichever occurs first.

Dayco's liability under this warranty is limited to the purchase price of, at its option, the repair or replacement of any product which is determined to be defective upon return to Dayco.

In order for this warranty to be valid, the serpentine belt kit must be professionally installed by a licensed repair facility or technician and the serpentine belt kit must be installed on an engine in good condition. Products must be registered at https://www.dayco.com/na-en/warranty-policies/ at time of purchase to qualify for extended warranty.

A purchase and repair receipt must be provided when filing a claim. This warranty does not apply to any product which has been improperly installed, maintained, or has been subjected to improper operation or use.

Extended Warranty – Timing Chain Kits
Effective October 1, 2022

Timing chain kits manufactured by Dayco are warrantied to be free from defects in material and workmanship under normal operating conditions of recommended usage for a period of 24 months after installation or 60,000 miles/96,500 kilometers of use, whichever occurs first.

Dayco's liability under this warranty is limited to the purchase price of, at its option, the repair or replacement of any product which is determined to be defective upon return to Dayco. Labor charges to be paid at 60$USD based on flat rate time established through OE repair guides.

In order for this warranty to be valid, the timing chain kit must be professionally installed by a licensed repair shop or technician and the timing chain kit must be installed on an engine in good condition that is free from internal sludge and has a proper operating oil pump. This warranty does not apply to any product in the kit which has been improperly installed, maintained, or has been subjected to improper operation or use. A purchase and repair receipt must be provided when filing a claim.

If the kit was installed by a DIYer, the warranty is 12 months/12,000 miles/19,300 kilometers and covers parts only.

Transportation charges to be prepaid, with Dayco's prior written authorization.

Extended Warranty – Dayco Mechanical Water Pumps and Dayco Timing Belt Water Pump Kits
October 15, 2020

MOVE FORWARD. ALWAYS.™

Dayco offers a 125,000 mile extended warranty on the installation of its light-duty mechanical water pumps as standalone, or as part of a timing belt water pump kit. (Applicable only when all products contained within the Dayco timing belt water pump kit with are installed at the same time).

This extended warranty is contingent upon installation according to the OEM service instructions, including flushing the cooling system and installing new coolant that meets OEM specifications.
Dayco's liability under this warranty is limited to the purchase price of, at its option, the repair or replacement of any product which is determined to be defective upon return to Dayco. Products must be registered at https://www.dayco.com/na-en/warranty-policies/ at time of purchase to qualify for extended warranty.

In order for this warranty to be valid, product must be professionally installed by a licensed repair shop or technician and the water pump or timing belt water pump kit must be installed on an engine in good condition. A purchase and repair receipt must be provided when filing a claim. This warranty does not apply to any product which has been improperly installed, maintained, or has been subjected to improper operation or use.

In order for this warranty to be valid, the heavy-duty serpentine belt kit must be professionally installed by a licensed repair facility or technician and the serpentine belt kit must be installed on an engine in good condition. Products must be registered at https://www.dayco.com/na-en/warranty-policies/ at time of purchase to qualify for extended warranty.

A purchase and repair receipt must be provided when filing a claim. This warranty does not apply to any product which has been improperly installed, maintained, or has been subjected to improper operation or use.

MOVE FORWARD. ALWAYS.™

Powersports Belts

Dayco POWER® CVT Belts
Effective January 1, 2021

Dayco POWER® XTX, HPX, HP and TRX belts for snowmobiles and ATVs are covered by a limited one-year warranty. Dayco RPX belts are for racing only and have no warranty.

Warranty returns are not accepted from outside U.S. and Canadian territories. If, within one year of the purchase date, a Dayco POWER ATV or snowmobile belt fails, you can send it to our technical department for a replacement belt as long as it meets the criteria noted in belt failure inspection.

To be considered a valid claim, you must contact PartsSupport@dayco.com with details of your experience. Include clear photos of the failed belt, a copy of the purchase receipt, as well as the year make, model of the machine it was installed on.

If Dayco personnel decide the belt should be returned for further inspection, a shipping label will be provided. A replacement will be sent once the used belt is received.

Belt Failure Inspection
Upon receipt of the failed item photos and accompanying documents, Dayco quality control personnel will conduct a thorough inspection. This warranty will not apply to any product which has been improperly installed or maintained, or that has been subjected to improper operation or use. If it is determined by Dayco, to its satisfaction, that the belt is defective or that the belt was properly installed on the correct machine, with the drive system in good repair and the belt was not intentionally cut, damaged or used for commercial purposes or racing, Dayco will provide a replacement belt. If you have any questions, please email PartsSupport@dayco.com.

How to File a Warranty Claim

Below is an overview of how to submit a warranty claim. Unless otherwise noted in the warranty description for your particular Dayco product, if your part failure occurs during the warranty period, please follow the below steps:

1. Box all Dayco parts that are part of the claim
2. Include the UPC panel from the Dayco packaging
3. Include proof of purchase for parts and or service
4. Add mileage and date noted at installation
5. Description of failure

Where to Send:

Dayco Incorporated
Attn: Claims Dept.
1380 Rankin St.
Troy, MI 48083

Contact **800-848-7902** with any questions.

Full Warranty Terms & Conditions:
Dayco makes no warranty, express or implied, whether of merchantability or fitness for any particular purpose or use, or on any parts or labor furnished during the sale, delivery or servicing of the products. In no event shall Dayco be liable to buyer for any special, indirect, incidental or consequential damages or for any charges or expenses incurred without Dayco's written consent. Each specific warranty is in lieu of all other warranties, expressed or implied, and all other obligations or liabilities on the part of Dayco Incorporated/Dayco Canada Corp. In no event shall Dayco's liability under any claim made by the buyer exceed the purchase price of the products.
